Sanitizing the campus

3.4.3

In light of the global health crisis caused by the COVID-19 pandemic, maintaining a clean and sanitized college campus, BRB College campus was sanitized on 15.10.2020. A comprehensive sanitization plan not only helps prevent the spread of infectious diseases but also instils a sense of confidence and well-being among students, faculty, and staff. Maintaining a clean and sanitized college campus is essential for ensuring the health, safety, and well-being of students, faculty, and staff. By implementing a comprehensive sanitization plan that includes regular cleaning, enhanced disinfection, hand hygiene promotion, and effective communication, colleges can create an environment that minimizes the risk of infectious diseases. A collective effort from all members of the campus community is crucial to uphold these sanitization measures and prioritize the health and safety of everyone on Campus.
