Report on celebration of International Girl Child Day

Date: 11-01-2022

International Girl Child Day is celebrated globally on 11th of January of each year to promote the rights of girls and address the challenges they face. The day aims to highlight the importance of empowering girls and ensuring their well-being, education, and equal opportunities.

The celebration of International Girl Child Day serves as a crucial annual reminder to prioritize the rights and well-being of girls worldwide. Through a combination of awareness campaigns, educational initiatives, and community engagement, the day contributes to the ongoing efforts to empower girls and create a more inclusive and equal society.

Accordingly, for the year 2022, IQAC in association with women's forum celebrated the international girl child day on January 12 at GF-14 of the college by conducting certain activities to students.

Some of the activities included displaying of the famous women achievers and personalities via projector without disclosing their names wherein the students had to identify the names. The other activity included speaking about the students' favourite women personality.

women's forum coordinator Asst Prof. Poojitha highlighted about the theme of this year's international girl child day celebration and Mr. Sandeep karabhari highlighted about the achievements of various women. Dr. Sheela Kumari Das presided the event along with the presence of all the faculty members.
