Report on Special Lecture – Fire Insurance Claims

Date: 18.11.2022

The special lecture on "Types of Insurance Policies" was held on 18th of November 2022, 11:00 AM at FF-05. The lecture aimed to provide attendees with a comprehensive understanding of various types of insurance policies available in the market, their features, benefits, and relevance in different life situations. The lecture was delivered by Mr. Siddappa Tamagond, Development Manager, SBI Life Insurance Company Ltd, a distinguished expert in the field of insurance and risk management.

The primary objective of this lecture was to provide attendees with a comprehensive understanding of the fire insurance claims process, including its intricacies, documentation requirements, and challenges faced by both policyholders and insurance companies.

The lecture saw an impressive turnout of approximately 50 students interested in gaining knowledge about insurance policies. The lecture covered a wide range of topics related to fire insurance claims, shedding light on various aspects that are crucial for both policyholders and insurance professionals. Some of the key points covered during the lecture include: Fire insurance coverage, claims process, Assessment and Evaluation, Mitigation, Restoration, Dispute resolution and legal considerations.

The lecture featured an engaging question and answer session where attendees had the opportunity to seek clarifications and insights from the speaker. The speaker provided practical examples and shared real-world scenarios to enhance the attendees' understanding of fire insurance claims.
