Commerce, Kannada, Hindi, English, Political Science, History, Library Science, History, Economics, Environmental Science, Physical Education, Sociology and Law comprising of a chairperson and resource person for each track. The diversity of topics and presentations fostered rich discussions and interdisciplinary knowledge sharing.

In addition to the formal sessions, the conference provided ample opportunities for networking and collaboration. Participants engaged in meaningful discussions, shared contact information, and explored potential research partnerships and collaborative projects.

In between the sessions, tea and lunch breaks were given for the refreshment of the attendees. After the lunch, the conference continued to produce several significant outcomes such as Knowledge exchange and dissemination across multiple disciplines, Initiation of potential research collaborations and partnerships, Identification of solutions and approaches to global challenges and the establishment of a network of researchers and professionals.

The "Perspectives on Educational Shifts: International Forum on Indian Academia" was a successful multidisciplinary international conference that achieved its objectives of promoting interdisciplinary collaboration, knowledge exchange, and networking. It provided a valuable platform for participants from various fields and countries to come together and share their expertise, ultimately contributing to the advancement of knowledge and solutions to global challenges.

The valedictory session was presided by the honourable Vice-chancellor of Agriculture University, Raichur, Registrar of Raichur University and the Managing Committee members of Taranath Shikshana Samsthe's BRB College of Commerce.

The success of the conference would not have been possible without the hard work and dedication of the organizing committee, sponsors, keynote speakers, presenters, and all the participants who contributed to this enriching experience.
