HACCP PRACTICES – gender equality:

Sanitary Pad dispenser :

We appreciate the placement of the sanitary pad dispenser and also being used by the members. One improvement is however needed. The custodian of the pads contact details may be displayed. This should help to draw the attention of the stock holder to replenish the dispenser when empty.

Sanitary pad Incinerator:

The pad incinerator is not in operation. The women empowerment committee should be asked to check for all the women comfort necessities. It may be stressed more as a necessity and not as a luxury.

It would be important to display the usage

Figure 13 - Non-operating incinerator

instructions in Kannada, Hindi and English so that the members can operate the incinerator by themselves.
