Associated NCC Officer, BRB College of Commerce, Raichur.

Introduction

In order to inculcate the sense of corporate living, self-discipline and brotherhood among students, the college persuades them to participate in NCC activities. Often these units take part in the activities like Pulse Polio, AIDS Awareness, Blood donation etc, in association with G.Os and NGOs – social organizations. The volunteers of these units also work with vigor to keep the campus clean and green. On the strength of NCC Certificates some students have been inducted into important positions in defense and other service sectors. It is our pride to mention that two of the NCC candidates of our college unit had participated in the RD Parade at New Delhi and actually tread on the 'Raj path'. In addition to the N.C.C. units, the college has also got a Placement cell, a Red-Ribbon Club, a Legal Awareness Forum, Prevention of Women Harassment Cell and an Anti-Ragging Cell and is intending to start a Student Co-operative Society. In addition to this, the staff and the students work in the flood ravaged areas assisting the marooned victims either on its own or in association with the NGOs.

AIM OF NCC

The 'Aims' of the NCC laid out in 1988 have stood the test of time and continue to meet the requirements expected of it in the current socio-economic scenario of the country. The NCC aims at developing character, comradeship, discipline, a secular outlook, the spirit of adventure and ideals of selfless service amongst young citizens. Further, it aims at creating a pool of organized, trained and motivated youth with leadership qualities in all walks of life, who will serve the Nation regardless of which career they choose. Needless to say, the NCC also provides an environment conducive to motivating young Indians to join the armed forces.

CORE VALUES

The NCC is a responsive, learning and continuously evolving organization. Its activity is guided by certain **Core Values** that we Endeavour to instill among all ranks of the NCC. These include the following:

- a. A sense of patriotic commitment to encourage cadets to contribute to national development.
- b. Respect for diversities in religion, language, culture, ethnicity, life style and habitat to instill a sense of National unity and social cohesion.
- c. Abiding commitment to learn and adhere to the norms and values enshrined in the Indian Constitution.
- d. Understanding the value of a just and impartial exercise of authority.
- e. Ability to participate in community development and other social programme.
- f. A healthy life style free of substance abuse and other unhealthy practices.
- g. Sensitivity to the needs of poor and socially disadvantaged fellow citizens.
- h. Inculcating habits of restraint and self-awareness.
- i. Understanding the values of honesty, truthfulness, self-sacrifice, perseverance and hard work.
- j. Respect for knowledge, wisdom and the power of ideas.

PLEDGE

We the cadets of the national cadet corps,
do solemnly pledge that we shall always uphold the unity of India.
We resolve to be disciplined and responsible citizen of our nation.
We shall undertake positive community service in the spirit of selflessness
and concern for our fellow beings.

NCC FLAG

The NCC flag for various units of the NCC was first introduced in 1951. The flag was of same pattern, colour and size as was used by various regiments of the Army. The only difference was that it had the NCC badge and unit designation placed in the centre. Later on it was felt that the flag should be in keeping with the inter-service character of the Corps. In 1954 the existing tricolour flag was introduced. The three colours in the flag depict the three services of the Corps, red for the Army, deep blue for the Navy and light blue for the Air Force. The letters NCC and the NCC crest in gold in the middle of the flag encircled by a wreath of lotus, give the flag a colourful look and a distinct identity.
