National Voters Day

National Voters Day has conducted in our college to spread the awareness on Voter's duties and responsibility. The theme of this year's National Voters Day is "Making Elections Inclusive, Accessible and Participative".

In order to encourage more young voters to take part in the political process, the Government of India has decided to celebrate National Voters Day. It has been started from 25 January 2011 to mark Election Commission's foundation day. The slogan "No Voter to be Left Behind" has been coined to further emphasis the focus on inclusiveness. The new voters would be provided with a badge with its logo" Proud to be a voter – Ready to Vote"

This time students of our institution with the help of faculty planned a unique way to celebrate National Voters Day by drawing Rangoli at main places of the city. Following the Covid rules they put Rangoli at BRB Circle to spread awareness as well as importance of Voting.
