**DENTAL CHECKUP CAMP on 16/11/21**

Taranath Shikshana Samsthe's B.R.B College of Commerce, Raichur in collaboration with A.M.E s Dental College, Raichur organized a free dental check-up camp for students on maintaining of oral hygiene, to screen and treat students with minimal invasive techniques etc

The camp was organized to create awareness and educating students about common dental ailments, especially stressing on tooth decay and gum diseases and measures to prevent from them. The students were highlighted about the eating patterns and food choices which cause tooth decay. The surgeons also highlighted about the possible formation of harmful acid which develops when bacteria (plaque) get in contact with sugar in the mouth which ultimately results in tooth decay. "Added sugars often are present in soft drinks, candies, cookies, pastries' and therefore to help control the consumption of sugar one must read the food labels and choose the right foods and beverages that are low in added sugar", the dental surgeons added.
